To register to attend this FREE Forum, go to the Latest News section or the Calendar on the AMHOCN website

<http://amhocn.org> or you can contact Ms Lauren Clark on (02) 9840 3833 or email [Lauren.Clark@nswiop.nsw.edu.au](mailto:Lauren.Clark@nswiop.nsw.edu.au). As places are limited, early RSVPs are advised.

*The aim of this forum is to provide consumers, clinicians and managers with the opportunity to showcase their use of outcome measures, and other routinely collected clinical information, to improve service delivery and outcomes.*

*Potential topics could include:*

- Consumer initiatives involving outcome and casemix measurement*
- Use of outcome and casemix measures to support local clinical practice*
- Use of outcome and casemix measurement for clinical practice improvement*
- Use of outcome and casemix measurement for service or program evaluation, planning or development*
- Use of outcome and casemix measures for benchmarking*

*To register your interest in presenting at this forum, please submit an abstract online at <http://amhocn.org> by 26 October 2010*
